We didn't do Blocks before. Are you referring to Schiedary that we did last year and Joan did an oversight?

Hi Lee,

I received your list of 6 facilities just curious as to why Block Farms is listed again? Is that the same facility that you did last year and Joan did an oversight at?

Sincerely,

Hi Lee:

Just need number of facilities you inspected and what type of inspection and where they were at. Basically, I need the type of inspection, # of facilities, # in the Apple/Plum River Watershed, and the number out of the Apple Plum River watershed.

Sorry!

Hi Bruce and Joe:

As of April 5th the AFO/CAFO inspection numbers are due for midyear reporting. I have to report the numbers of AFO/CAFO facilities that were inspected in Middle and Lower Kaskaskia and Shoal Creek Watershed.

Hi Lee:

I need the inspections for AFO/CAFO inspection numbers that were conducted in the Apple/Plum River Watershed.

I appreciate your time if you would like to provide address to all facilities inspected I could check and see if they were in the Priority Watersheds.

Sincerely,
